# SUMMER CAMPS

Most classes held at the John N. Harms Center

## Game Day

May 31 (F)

7:45 – 12:15 p.m., \$45

Ages: 7 – 12

Let's get ready to play! We're going to spend the morning outside playing a variety of yard games and sports. We are going to get active and have a "ball!" Please sunscreen your kids before drop-off and send a water bottle with them.

## Driver's Education

Jun 3 – Jun 11 (M, T, W, TH, F)

8:30 – 11:30 a.m., \$195

Instructor: Richard Kennedy

Ages: 14 – 17

This course is a state-approved driver's safety course for high school students ages 14 to 17. This course is not state approved for adults 18 years of age and older. Students must complete 20 hours of classroom time, score 72% or higher on the final exam, and drive five hours with a drive test instructor. Eligible students must obtain a valid learner's permit. Students are only allowed to miss two classroom days and will have to make up missed days up. Makeup days to be determined. Students missing three or more classroom days will be dropped from the course, no refunds will be given.

## Kids in the Kitchen Week

Jun 3 – 6 (M – TH)

12:45 – 4:00 p.m., \$30/day or \$100/week

Ages: 7 – 12

Chef's Delight (Monday and Tuesday)

This course is sure to be a delightful experience for young aspiring chefs. Several educational skills are enhanced as they share stories, participate in cooking experiences, and learn about kitchen safety and dining etiquette. Participants

will have opportunities to practice math and reading skills, learn science concepts, and develop good work habits as they work cooperatively in groups. What better motivator for learning than a good story and fun food?

**Cupcake Boss (Wednesday and Thursday)**

Cupcakes are simply irresistible single serving of delicious cakes and frosting dressed up in perfect little packages. In this course, student chefs will participate in several "challenges" to see who the "boss" of each challenge is. Some of the challenges are individual challenges and some are group challenges. Lots of frosting and fun will be had in this course.

## Safe Babysitting Clinic (16 Hours)

Jun 6 & 7 (TH, F)

7:45 a.m. – 4:00 p.m., \$65

(includes lunch)

Ages 10 – 15

Earn a certificate for 16 hours of training from our Safe Babysitting Clinic. American Heart Association instructor Sheila Clemens will teach the Family and Friends CPR for adult, child, and infant; basic first aid; choking rescue techniques; and use of an AED. Babysitting instructor Janelle Anderson, Home Visitor for Sixpence at Scottsbluff Public Schools, has a master's in education with an endorsement in early childhood special education. Participants will learn behavior guidance techniques, age-appropriate expectations, negotiating pay, and early childhood education opportunities. Hands on activities include making snacks, mixing formula, diapering, and making learning games for children. Lunch is provided, or participants can bring their own lunch.

## Paint Party – Monster Trucks

Jun 10 (M)

7:45 – 12:15 p.m., \$50

Instructor: Karan Jump

Registration Deadline: Jun 7

Ages: 7 – 13

Come enjoy a day of fun and painting. You will get to be creative deciding your own colors and design choices. This painting class is for everyone who enjoys being

creative and getting a little messy. All supplies are furnished. Choose one of the below pictures to paint.

## Innovate, Create, & Explore Week

Jun 10 – 13 (M – TH)

12:45 – 4:00 p.m., \$30/day or \$100/week

Ages: 7 – 12

**CSI: Crime Scene Investigations (Monday)**

Are you a sleuth? Do you want to become one? If you would like to learn more about solving crime, this is the course for you! Participants meet crime-fighting professionals and learn their secrets. Students learn the art of fingerprinting, hair analysis, and other trace evidence left at the scene of the crime. It would be a crime to miss this camp.

**Goey, Gross, and Green (Tuesday)**

In this course, participants create things that ooze, bounce, and squish! Campers take part in hands-on goey, gross, and green fun science and art projects. Prepare to make a mess and have tons of fun.

**Jurassic Journey (Wednesday)**

Participants explore the mysteries of dinosaurs and prehistoric times

# DON'T MISS OUT ON THE FUN!

308.635.6700 | [go.wncc.edu/lifelonglearning](http://go.wncc.edu/lifelonglearning)

through books, websites, and activities. Participants' learning is enhanced with several science skills including probability, biodiversity, and archeology. Come and join the fun of this Jurassic Journey!

## **Dream Builders (Thursday)**

Are you a master LEGO builder? Would you like to become one? This course encourages participants to explore their creativity and skills building with LEGO. Participants enhance their imagination as they unleash their inner LEGO builder. All building levels welcomed!

## **Paint Party – Turtles & Mermaid Tail**

**Jun 13 (M)**

**7:45 – 12:15 p.m., \$50**

**Instructor: Karan Jump**

**Registration Deadline: Jun 11**

**Ages: 7 – 13**

Come enjoy a day of fun and painting. You will get to be creative deciding your own colors and design choices. This painting class is for everyone who enjoys being creative and getting a little messy. All supplies are furnished. Choose one of the below pictures to paint.

## **All About Air**

**Jun 14 (F)**

**7:45 a.m. – 12:15 p.m., \$45**

**Ages: 7 – 12**

Air is all around us. We breathe it, we feel it, and we even have it in us! Airflow can generate power, drag, and help make things fly! Join us as we learn about and harness the power and properties of air.

- Gliders (kits from the college)
- Paper airplane contest
- Color pin wheels
- Straw airplanes
- Egg drop
- Bird balloons

## **Astronomy Week**

**Jun 17 – 20 (M – TH)**

**12:45 – 4:00 p.m., \$30/day or \$100/week**

**Ages: 7 – 12**

### **Planets Day (Monday)**

Participants will learn about all the planets in our great solar system. They will explore the planets through videos and in creating books. They will make planets posters using different art mediums. Participants will use sidewalk chalk to draw the solar system to help understand the scope and size of the solar system.

## **Moon Day (Tuesday)**

There is so much to learn from the many moons of the solar system. In this course, participants will learn about the different phases of Earth's moon, they will make moon rocks and create renditions of the moon using puffy paint. Participants will also learn about moons of other planets in our solar system.

## **Constellation Day (Wednesday)**

Calling all star gazers! In this course, participants will learn about stars and the many constellations in our universe. Participants will learn about constellations from books and videos. Then they will re-create constellations using foil stickers and marshmallows. By the end of this day, participants will have created their very own constellation. What will your constellation be?

## **Galaxy Day (Thursday)**

To Infinity and Beyond! Do you wonder where Buzz Lightyear adventures of to? Participants will learn about the vastness of our galaxy. They will create their own galaxy in a jar. Are aliens real? Participants will explore their creativity in creating and naming their very own alien. This course is sure to be out of this world!

## **Beat the Heat**

**Jun 28 (F)**

**7:45 – 12:15 p.m., \$45**

**Ages: 7 – 12**

Summer is at its peak and so are the temps! Join us in the AC for a morning of fun and games. We'll have a little of everything- board games, team games, and active games too. Come ready to play!

# SUMMER CAMPS

Most classes held at the John N. Harms Center

## Paint Party – Unicorn and Zebra

Jul 8 (M)

7:45 – 12:15 p.m., \$50

Instructor: Karan Jump

Registration Deadline: Jun 11

Ages: 7 – 13

Come enjoy a day of fun and painting. You will get to be creative deciding your own colors and design choices. This painting class is for everyone who enjoys being creative and getting a little messy. All supplies are furnished. Choose one of the below pictures to paint.

## Butterflies and Moths of Nebraska

Jul 9 (T)

7:45 – 12:15 p.m., \$20

Ages: 7 – 12

What butterflies live in Nebraska (Scotts Bluff County)? What is their life cycle and what do they need to complete their life cycle (host plants)? Where do they spend the winter? We will learn all this and more about butterflies and moths. You will get to draw your favorite butterfly, create your own butterfly craft, with labeled body parts and create a bead caterpillar with colors to make it as true as possible. We will have lots of hands-on creations while learning all about butterflies, caterpillars, and moths. Come play Butterfly Bingo and create your own butterfly life cycle chart.

## Paper Flowers & More...

Jul 10 (W)

7:45 – 12:15 p.m., \$20

Ages: 7 – 12

We will create flowers and more with coffee filters, old magazines, and other paper and cardboard materials. Coffee filter poppy flower, toilet roll flowers, cardboard and paper wall decorations, roses made from old clothing, magazines, and other repurposed materials are just a few options in this creative class. This is an origami upcycled! You can add embellishments to your origami flowers to put on a gift box. Come see what you can create.

## Gardening with Nature

Jul 11 (TH)

7:45 – 12:15 p.m., \$20

Ages: 7 – 12

Are you starting to get curious about gardening and native plants? What about creating a garden for pollinators and learning how these insects benefit a garden? We will talk all about pollinator gardens, what plants attract pollinators and how you can best arrange the plants in your new garden. We will draw a garden plan for a small space using native plants to help the pollinators and other insects that are beneficial to

the environment. You can decide what butterfly you might want to see in your garden and design for that. You will take home seeds to plant in the fall. We will also have lots of hands-on activities, drawing, creating and even Lady Beetle Bingo.

## Can we Build It? Yes, we Can!

Jul 12 (F)

7:45 – 12:15 p.m., \$45

Ages: 7 – 12

How tall can you build with toothpicks? What on Earth is a Rue Goldberg machine? How does a boat float? We are going to build a bunch of fun stuff and explore the science and engineering behind them.

- LEGO boat
- Toothpick tower
- Rue Goldberg Machines
- Paper arches
- Chain reaction craft sticks
- Air cars

## All About the Arts Week

Jul 15 – 18 (M – TH)

12:45 – 4:00 p.m., \$30/day or \$100/week

Ages: 7 – 12

Caution: Wet Paint (Monday)

Imagine, explore, discover, and create products using a variety of paint. Participants will use puffy paint, neon paint, liquid watercolors, pearl paints, glitter paint, and glow in the dark paint. Participants will learn about famous artists from around the world and emulate their famous works of art.

Marvelous Mosaics (Tuesday)

Participants will learn about the ancient art of mosaic and learn to make their own artwork using a variety of fun and unique materials. Participants cut, glue, read and create as they learn about how traditional and modern mosaics are created.

Duct Tape Dynasty (Wednesday)

Duct tape solves everything, right? Participants will use duct tape to decorate jars, composition books, pencil pouches, pencils, etc. Participants will also create various items such as wallets and flowers using only duct tape. Taking it one step

# DON'T MISS OUT ON THE FUN!

308.635.6700 | [go.wncc.edu/lifelonglearning](http://go.wncc.edu/lifelonglearning)

further, participants are encouraged to do some research and learn how to make more difficult items using only duct tape. Today will give a new meaning to "sticky situations."

## Just Bead It (Thursday)

Beads, safety pins, leather, and paper clips, oh my! These are just a few of the materials participants will explore and create within this course. Participants will create bracelets, rings, and necklaces for all occasions. They will also have the opportunity to embellish picture frames and create sharpie art to put in their frames.

## Paint Party – Ice Cream Cone & Hot Air Balloon

Jul 22 (M)

7:45 – 12:15 p.m., \$50

Instructor: Karan Jump

Registration Deadline: Jun 11

Ages: 7 – 13

Come enjoy a day of fun and painting. You will get to be creative deciding your own colors and design choices. This painting class is for everyone who enjoys being creative and getting a little messy. All supplies are furnished. Choose one of the below pictures to paint.

## Exploring K'NEX Week

Jul 22 – 25 (M – TH)

12:45 – 4:00 p.m., \$30/day or \$100/week

Ages: 7 – 12

Everyone agrees that K'NEX STEM building sets do a fantastic job promoting teamwork and sparking curiosity within boys and girls. Participants in this course will explore and create with a wide range of K'NEX building kits such as catapults, roller coasters, carnival rides and much more. Are you ready to imagine, build and play with K'NEX? This course is for you!

## Science in a Jar

Jul 26 (F)

7:45 – 12:15 p.m., \$45

Ages: 7 – 12

Science experiments don't have to be big, you can do them in a jar! We're going to make it rain, learn about acidity, test the greenhouse effect, and more! These experiments may happen in a small space but their effects are fantastic! Come dressed for a mess and leave with some cool knowledge!

- Cloud in a jar
- Testing acidity with cabbage water
- Greenhouse effect- heat smores or another snack
- Cleaning pennies
- Galaxy in a jar
- Balloon skewer

COME JOIN THE  
SUMMER CAMP FUN!

# SUMMER CAMPS

All Applied Technology classes held at the WNCC Applied Technology Building

## Applied Technology Camps

### Autobody Camp

Jun 10 & 11 (M, T)

7:45 a.m. – 12:15 p.m., \$70

Ages: 11 – 14

**Instructor: Corey Batt, WNCC faculty**

Ever wonder how cars are painted? Are you amazed at the custom, multi-colored hot rods, muscle cars, and tuner vehicles you see on the internet, TV, and at car shows? Now you can learn how the pros apply those award-winning, glass-like paint jobs. You will learn how to mix paint and apply it using the same equipment as the top professionals, leaving with your very own miniature car hood, that you painted. Taught by Corey Batt, WNCC Autobody Instructor with 34 years of experience and the winner of several national awards for his custom paint jobs. Don't miss out on this opportunity to learn about a career that is in high demand with great pay and impress your family and friends with your newly acquired skills.

### Auto Tech Camp

Jun 12 (W)

7:45 a.m. – 12:15 p.m., \$40

Ages: 11 – 14

**Instructor: Frank Riley, WNCC faculty**

Have you ever wondered how a car engine works? Come join us in this auto tech camp and we will explore how a gas engine works, what makes the car stop, what powers the windows up and down and we will do some cool hands-on stuff. This camp is taught by WNCC Automotive Instructor, Frank Riley and will also include a visit from a local Hot Rod builder. You will get to see what a fast car looks and sounds like. The end of camp will include some friendly hands-on competition.

### Weld like a Wizard!

Jun 13 (TH)

7:45 – 12:15 p.m., \$40

Ages: 11 – 14

**Instructor: Russell Pontarolo, WNCC faculty**

Experience the exciting World of Welding. Learn to safely harness the power of the electric arc and refocus electrons to work for you to make magic happen by joining materials together at the molecular level! Students will learn the basics of Gas Metal Arc Welding to join ferrous metal parts cut on the CNC Plasma Cutter to fabricate a small project they can take with them! Wear your jeans and leather work shoes. Welding Personal Protective Equipment (PPE) will be provided to use during the class.

### Diesel Truck & Heavy Equipment Technologies Camp

Jun 14 (F)

7:45 a.m. – 12:15 p.m., \$40

Ages: 11 – 14

**Instructor: Wayne Lund, WNCC faculty**

If you bought it, a truck brought it! Join us for our Diesel Tech summer camp to explore diesel engines and supporting systems. Learn how trucks, heavy machinery and ag equipment systems operate. Diesel technology requires not only hands-on mechanical skills, but also knowledge of computers and scanning equipment. Come and check out our diesel simulators, CDL trucks and assorted diesel equipment.

# DON'T MISS OUT ON THE FUN!

308.635.6700 | [go.wncc.edu/lifelonglearning](http://go.wncc.edu/lifelonglearning)

## For the Adults

### **Bushidokan™**

**Jun 3 – 26, or Jul 1 – 31 (M, W)**

**6:00 – 7:00 p.m.**

**Single: \$40; Family: \$55 (up to 3)**

**Ages: 8 and up**

**Monument Mall, CrossFit**

Known as “an original U.S. MMA,” Bushidokan is deeply rooted in the history of American martial arts with multiple world titleholders and respected self-defense experts. Bushidokan has borrowed techniques from more than 10 different martial arts and three primary systems: karate, judo, and jujitsu. Recognized worldwide for its self-defense, Bushidokan’s tactics have been tested in diverse situations including life-or-death defense by citizens, law enforcement, and elite military groups such as Green Berets, Rangers, Navy SEALs, and others. Men, women, children, law enforcement, and military are encouraged to attend. All are welcome!

### **Supervisor and Manager Series: How to Coach and Develop Your Employees (Zoom class)**

**Jun 3 (M)**

**8:30 – 10:00 a.m., \$85**

**Instructor: Jamie Weingart**

**Registration deadline: May 28**

According to Gallup's research, the next generation of workplace employees will perform their best work under the leadership of "a coach and people-developer," rather than a "boss." In this session, participants will learn how to lead their employees to higher levels of productivity and performance through research-based employee development conversations and strategies. Materials include digital workbook, digital copy of PowerPoint presentation, 90 minutes of certified training content, actionable tools and resources for immediate impact, open Q&A, and certificate of completion... all presented in a live, online, instructor-led format.

### **Bob Ross Painting**

**Jun 15, or Jul TBD (S)**

**9:00 a.m. – 2:00 p.m., \$75**

Bob Ross believed that everyone who wanted to paint could paint like a natural with the right tools and a little encouragement. Come and experience the joy and confidence of painting a beautiful landscape using the Ross wet-on-wet technique. Please bring a roll of paper towels to this class.

Jun 15

Jul TBD

### **Motorcycle Safety Training Basic Rider Course**

**Jun 27 & 28 (TH, F)**

**8:00 a.m. – 5:00 p.m., \$250**

**Instructor: Abby Spaedt**

**A driver's license is required to take this course.**

This is a Motorcycle Safety Foundation and State of Nebraska certified motorcycle training course. This Basic Rider Course (BRC) is designed to coach beginning rider's basic skills and motorcycle safety. Motorcycles are provided, and students need only provide basic protective gear; helmets can be borrowed if needed. Upon successful completion of the BRC, participants are awarded a completion card that waives DMV testing requirements for a motorcycle endorsement. There are three components to the class. Students must complete a three-hour online e-course before the class starts. There are five hours of classroom time and 10 hours of riding on site at the WNCC campus. Go to [321mctraining.com](http://321mctraining.com) for more information and tips for success. **To register for this class, go to [bit.ly/321brc](http://bit.ly/321brc).**

### **Supervisor and Manager Series: How to Manage Conflict, Have Crucial Conversations, and Build individual and Team Accountability (Zoom class)**

**Jul 1 (M)**

**8:30 – 10:00 a.m., \$85**

**Instructor: Jamie Weingart**

**Registration deadline: Jun 24**

Participants will discuss and examine conflict in the workplace with a focus on utilizing effective conflict resolution techniques, preventing conflict, building self-awareness, mediating conflict between others, and navigating difficult conversations. Materials include digital workbook, digital copy of Powerpoint presentation, 90 minutes of certified training content, actionable tools and resources for immediate impact, open Q&A, and certificate of completion... all presented in a live, online, instructor-led format.
