Description of the Job:
The job of Field Maintenance Groundskeeper is a seasonal position that performs semi-skilled and skilled maintenance work involving the baseball and softball fields and facilities for the Park and Recreation Department. This includes the preparation and clean-up of the fields before the games. The groundskeeper will be required to work out of doors in all kinds of weather and to perform heavy manual work. The groundskeeper will work on weekends as well as weekdays. This individual shall work under the supervision of the Park Supervisor or Crew Leader.

Essential Functions of the Job:
Operate equipment associated with the maintenance of the sports fields and facilities.
Float the ball fields.
Water the infield when needed, fill in holes and rake as appropriate.
Set out bases and remove the bases from the fields.
Review schedules daily to determine when and where games are being played.
Measure base distance to ensure bases are in proper position.
Review the rule book to determine proper field marking and mark the fields prior to all scheduled games.
Advise a supervisor of any damages to equipment or facilities.
Pick up trash and clean restrooms.
Sprinkler repair.
General turf care.
Painting as needed.
Raking, digging and string trimming.
Other related duties as assigned.

Knowledge, Skills and Abilities
Ability to read and comprehend instructions dealing with multiple tasks.
Ability to get along with the public and co-workers.
Ability to follow established routines and regulations.
Willingness to assume responsibility.
Ability to lift up to 60 pounds with the ability to lift lesser weights repetitively, and to perform other physical activities needed to accomplish the essential functions of the position.

Minimum Qualifications:
Education equivalent to completion of the 8th grade.
Valid Nebraska Operator's license.
Must be able to drive standard transmission vehicles.
Experience in the use of hand tools and power equipment.
Experience in the use of turf equipment and small tractors.

Preferred Qualifications:
Education equivalent to completion of the 12th Grade.
Previous field maintenance experience.
This job description is intended to describe the general nature and level of work to be performed by employees assigned to this classification and is not intended to be construed as an exhaustive list of all responsibilities, duties and skills of personnel so classified.

Hourly salary: $8.40
