Summer 2013 Financial Aid

Summer 2013 federal student aid eligibility is based on your 2012-2013 Free Application for Federal Student Aid (FAFSA). If you have already received Federal Pell grant or Federal Direct Stafford student loans during the Fall 2012 and/or Spring 2013 semesters at either WNCC or another institution, Summer 2013 award amounts will be the amount of your annual Pell entitlement or loan limit that remains. All Satisfactory Academic Progress and other eligibility rules apply.

The first financial aid disbursement for summer 2013 is June 14th. Disbursements will continue throughout the summer as financial aid and loan applications are completed and your aid is processed. Financial aid will not be adjusted for enrollment changes occurring after June 5th, except in the case of complete withdrawals.

What we will do:

We will post grant and scholarship funds to your account if you meet all the following criteria:

✔ You are registered for the required number of credit hours to qualify for your aid
✔ You are not on financial aid suspension
✔ You are in an approved program of study

What you must do:

✔ Attend each class for which you are enrolled (instructors verify your attendance online)

Student loans:

Federal Stafford loans will NOT automatically be processed based on your request to calculate your eligibility. If you are interested in a student loan for the summer session, you must be enrolled at least half time (six credits or more) and complete a Summer 2013 Direct Stafford Loan Request form. Loan applications are available in the Financial Aid Office or online at http://www.wncc.edu/cost-aid/apply-aid/forms. Aggregate and annual loan limits as well as any loan funds already received during the 2012-2013 academic year are taken into consideration in determining your summer loan eligibility.

If you did not have a loan during 2012-2013, you will need to complete a Master Promissory Note (MPN) online at StudentLoans.gov. First-time borrowers must also complete Entrance Loan Counseling online at StudentLoans.gov. If you are a freshman (completed less than 30 credits) first-time borrower, there is a 30-day delay for all first disbursements of loan checks.

Note that you must have begun attendance in at least six credit hours before any student loan funds can be disbursed. ALL SUMMER LOANS WILL BE RELEASED IN TWO DISBURSEMENTS.
