Our Railroad

BNSF Railway is a Berkshire Hathaway Company that operates one of the largest rail networks in the U.S. with over 32,000 miles of rail lines operating through the 28 most western states. For more than 160 years, BNSF has played a vital role in building and sustaining this nation’s economy. The dedication and commitment of our over 40,000 employees has made us one of the largest transportation businesses in the United States. We believe the key to our success is employing forward-thinking individuals diverse in talent, education, experience, and thought.
