Equal Justice Wyoming is accepting applications for two (2) AmeriCorps VISTA positions:

1. Pro Bono Program Assistant: The primary role of the member will be to assist with the development of a sustainable plan to utilize new partnership for outreach and create a volunteer recruitment and management system to maintain a strong core of committed volunteers for Equal Justice Wyoming.

2. Technology Program Assistant: The primary role of the member will be to assist in the production and maintenance of online legal self-help materials and court forms for low-income persons in Wyoming with civil legal needs, and to promote those resources among the client, advocate, and social service communities.

To apply for either or both of these positions, and learn more about the benefits offered, please apply through the MyAmericorps portal at: [https://my.americorps.gov/mp/listing/publicRequestSearch.do](https://my.americorps.gov/mp/listing/publicRequestSearch.do)

You will be required to create an account to submit all of your information.

Employer Profile:

Equal Justice Wyoming (formerly the Wyoming Center for Legal Aid) is an independent program of the Wyoming Supreme Court. Our program advances equal access to justice for the people of Wyoming. We are the first state-sponsored legal aid program in Wyoming. Equal Justice Wyoming provides funding and support to civil legal aid programs throughout the state. We provide legal self-help resources, information, and education for the public. We use technology to reach people throughout our large, rural state. We also provide training and support for volunteer lawyers who handle pro bono cases through our program. Learn more at: [http://www.legalhelpwy.org/](http://www.legalhelpwy.org/)
