Federal and state financial aid is intended to assist students in making successful progress toward completing an eligible degree, diploma or certificate. Therefore, the STUDENT bears the responsibility of demonstrating progress toward that goal. Determination of Satisfactory Academic Progress (SAP) is based on cumulative attempted hours and takes into account the student’s full WNCC academic record regardless of whether the student received financial aid funds during previous periods of enrollment. The Financial Aid Office is also required to look at all previous periods of enrollment, no matter how long ago the student was enrolled. Satisfactory progress is evaluated at the end of every semester.

In compliance with federal financial aid regulations and WNCC policies, a student is ineligible to receive federal financial aid, including student loans, if he/she meets any one of the following conditions:

- **SUSPENSION**: Failed to successfully complete at least 70% of overall credit hours attempted and/or failed to achieve a minimum 2.0 cumulative grade point average (GPA).
- **MAX**: Attempted more than 150% of the credit hours required for completion of chosen degree program.

A student who experienced extenuating circumstances that created the suspension (usually something beyond the student’s control) may petition for reinstatement of eligibility by completing the procedure outlined below. **There is a limit of appeals allowed; further appeals will be accepted at the discretion of the Appeal Committee and only if the criteria established in the Academic Plan and the agreement conditions are met.**

Appeals should be submitted as soon as possible following notification of suspension, but **NO LATER THAN MID-TERM OF THE SEMESTER FOR WHICH THE STUDENT IS REQUESTING AID.**

**APPEAL PROCEDURE:**

 ✓ Complete **All** required information on the appeal form.
 ✓ Complete **Step Two** of appeal in detail (you may attach a typed sheet as long as all points are addressed).
 ✓ Attach documentation to support your circumstances (i.e. a letter from your physician to document medical circumstances). This documentation must be retained in your financial aid file, so please do not submit originals.
 ✓ **Students must meet with an advisor to develop an Academic Plan.** Be sure to have this appeal form filled out before your meeting. Have your academic advisor complete the appropriate section on the appeal form or submit a separate typed statement. Submit a copy of your Academic Plan with the appeal.
 ✓ Once your appeal is complete and all documentation collected, submit it to the Financial Aid Office. The Appeal Committee will review your appeal along with your academic and financial aid records to make a decision. **Allow 30 days for review.**
 ✓ You will be notified by mail once a decision is made. If your appeal is approved, you will be required to sign an agreement indicating you understand and will comply with the conditions of your approval.
 ✓ If your appeal is denied and you disagree with the decision of the Appeal Committee, you have the right to re-appeal to the Financial Aid Director.

Submit appeal application and all supporting material to:

Give a detailed statement explaining why you believe the Appeal Committee should grant your request for reinstatement of financial aid. Make sure to address EACH semester that you did not meet minimum standards. Although your reasons may be intensely personal and difficult to share, the Committee requires explanation in order to make an informed decision based on the merit of your claims for appeal. Your appeal application will remain confidential. You need to be specific, provide clear detail and supporting documentation. You may attach a separate sheet as long as each item is addressed and it is signed and dated.

o What factors or circumstances have affected your academic performance? Include explanations for receiving deficient grades and/or reason for a cumulative GPA below 2.0. Also explain any circumstances that may have contributed to your withdrawing from or not completing your classes.

Step Three: Documentation

Appeals without proper documentation attached WILL NOT be considered. Documentation of poor performance may be very personal, but the Committee must have some official record reflecting supporting dates and facts beyond the student’s personal statement in order to make an informed decision on the merits of the appeal. **Your appeal and documentation will remain confidential.** The following types of documentation are helpful:

- **Illness:** Detailed letter on letterhead from physician explaining dates and type of illness, recommended treatment, dates of non-attendance, etc.; admit papers confirming dates of absence,
- **Death of family member:** Death certificates, obituary notices, funeral programs,
- **Legal difficulty:** Divorce degree, separation agreement, dated police reports detailing incident,
- **Job conflict:** Letter from supervisor on letterhead stating scheduling or other problems,
- **Disability:** Letter from doctor or Counseling Director addressing problems during term in question and resolution for future terms,
- **Other:** Any other documentation to support your request.

Step Four: Create an Academic Plan with your advisor

You must meet with an academic advisor and develop a clear Academic Plan outlining what courses you need to complete your program of study and your time frame for completion. **Appeals without an Academic Plan and advisor’s statement will not be considered.**

The advisor’s statement may be written below or attached as a separate document with the Academic Plan after the student and advisor have met and discussed the student’s past lack of progress and goals for improvement and future success. Advisors may also submit statements directly to the Financial Aid office or via email at financialaid@wncc.edu. **Failure to adhere to the Academic Plan will result in the student’s suspension from federal financial aid.**

**Advisor:** Please detail why the student should or should not have his/her financial aid reinstated and attach a clear Academic Plan that can be successfully achieved by the student. Has the student overcome obstacles he/she may have previously faced? Does the student have an understanding of a clear plan for the future? Is the student taking the appropriate type/number of classes for his/her ability and taking advantage of tutoring and labs available to him/her?
