Retrieving Your WNCC Login and Password & Logging In to Blackboard

The following steps will allow you to retrieve your username and password to access your class on WNCC’s learning system, Blackboard Learning.

Step 1: Go to http://www.wncc.net/mywncc/.

Step 2: Click the Account Desk link. (See screen picture below)

Step 3: A new data entry area will appear on the screen. (See screen picture below)
**Step 4:** In the appropriate field, enter your birth date (00/00/0000), and your first and last name. Click the **Submit Request** button.

**Results:** This process will give you your login (normally your last name and first initial), and will give you your initial password. You will have the ability to reset your password if you wish.

**Logging In to Blackboard**

**Step 1:** You can log in to Blackboard from any page on the WNCC website. ([www.wncc.edu](http://www.wncc.edu)) The screen picture below is from the WNCC home page. The title bar will be the easiest location to log in to your class. Simply click on the **Blackboard** link.

---

**Step 2:** Enter your username (login) and password in the appropriate locations on the screen.
It is very important to run the Blackboard Browser Check before logging in.
