EXECUTIVE SUMMARY

1. As of the tenth-day of the semester, there were 740 full-time and 982 part-time students. This is a collective decrease of 5.6 percent from last year. The expected end-of-semester count should reach 768 full-time students and 1022 part-time students.
2. Full-time continuing students increased from 312 in the Fall of 2018 to 320 in the Fall of 2019. The number of full-time transfer students also increased from 37 in Fall of 2018 to 42 in Fall of 2019.
3. The male to female ratio and the age distribution of WNCC students remain largely unchanged over the past year. Of our total students, 55.9 percent are female and 44.1 percent are male. Among age ranges, the highest percentage, 44.7 percent, is 18-24.
4. Hispanic enrollment increased from 22.5 percent in the Fall of 2018, to 24.4 percent in the Fall of 2019.
5. Our new international numbers held steady from Fall of 2018, with 27 new international students arriving in August of 2019. A year ago, we welcomed the same number of new students for the Fall 2018 semester. This, despite a nation-wide drop in new international enrollments. We have 66 total international students from 28 different nations. This overall number has decreased from last year's 78, due largely to students graduating.
6. The Fall 2019 end-of-semester FTE is projected to exceed 700, but it appears there will be a marked decrease from last year's total of 815 due to a significant drop in non-credit corporate training.
7. This year's ten-day numbers show growth here in Scotts Bluff County among graduating seniors. Fall of '18 yielded 111 students from the county, while Fall of '19 yielded 130 students. Scotts Bluff County now accounts for 51.8% of our total student credit hour distribution, up from 48.8 in Fall of 2018. We also

experienced increases in yields from Cherry County (1 student in Fall of 2018 to 3 in Fall of 2019), Cheyenne County (13 students in Fall of 2018 to 15 in Fall of 2019), Deuel County (none in Fall of 2018 to 3 in Fall of 2019), Morrill County (15 students in Fall of 2018 to 16 in Fall of 2019), and Sheridan County (2 students in Fall of 2018 to 5 in Fall of 2019).

8. Of the 24 high schools in the in the WNCC service area, the College attracted 17.3 percent of the 2019 senior class. This marks an increase from last year's 15.7 percent.
9. Among our 1,073 degree-seeking students, 62 percent are in academic transfer programs and 38 percent in technical training programs. The Associate Degree Nursing, Practical Nursing and Pre-Professional Nursing programs are ranked in the top three, with student counts of 102, 78 and 64, respectively.
10. This year brings changes to our offered degrees, as we introduce the Associate of Fine Arts degree and transition our Associate of Occupational Studies programs over to Associate of Applied Science degrees.
