

Western Nebraska Community College's Report on funds received from the American Rescue Plan, 2021 (ARP) to provide Higher Education Emergency Relief Fund (HEERF III) Student Grants

Quarterly Report, June 30, 2021

Western Nebraska Community College is required to provide regular reports to the U.S. Department of Education on the use of allocated funds authorized by the American Rescue Plan, 2021 (ARP), Pub. L 117-2, and distributed from the Higher Education Emergency Relief Fund (HEERF III) for student grants. Funds received by Western Nebraska Community College under ARP were authorized by Congress and signed into law by the President on March 11, 2021. The information noted below is intended to not only meet the reporting requirements of the ARP but also provide information to the college community regarding WNCC's use of the student grant portion of HEERF III.

The Department exercises reporting authority under 2 CFR 200.328 and 2 CFR 200.329 to ensure that statutory requirements are met for ARP Section 2003(a)(1) Student Grant Programs. The ARP, with some changes, is a continuation of the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA). The amount each institution must use for financial aid grants to students is determined using formula factors in CRRSAA.

Under the ARP (a)(1) program, student portion funds must be used to provide financial aid grants to students (including students exclusively enrolled in distance education) which may be used for any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care. In making financial aid grants to students, an institution of higher education must prioritize grants to students with exceptional need, such as students who receive Pell Grants.

The following information must appear in a format and location that is easily accessible to the public. This information must be updated no later than 10 days after the end of each calendar quarter (September 30, December 31, March 31, June 30) thereafter, unless the Secretary specifies an alternative method of reporting:
