Purpose

To establish a policy on standards of satisfactory academic progress (SAP) for federal, state, and institutional aid programs.

Scope

Applicable to all Western Nebraska Community College students.

Policy

Western Nebraska Community College is required to establish minimum academic standards that students must meet to be eligible or maintain eligibility for federal, state and institutional aid including but not limited to grants, loans, federal work study, institutional scholarships and waivers. Western Nebraska Community College must notify students of this policy and monitor the progress of all students receiving financial aid to ensure their continued compliance with the policy.

Students who are receiving financial aid or seek to receive financial aid in the future are required to meet these minimum academic standards. Failure to meet these standards may result in the student's ineligibility to receive financial aid. It is the responsibility of all students receiving financial aid to familiarize themselves with the policy and to ensure that the standards are met.

Students must meet both a qualitative requirement (GPA) and a quantitative requirement (number of credit hours completed) to maintain eligibility. Standards of satisfactory academic progress shall be in accordance with college procedures.
