

WESTERN NEBRASKA COMMUNITY COLLEGE

Western Community College Area Board of Governors' Policy

TITLE:	On-Campus Residency Requirement for Student Athletes
DIVISION:	Student Services
CATEGORY:	Athletics, Scholarships, and Residence Life
NUMBER:	BP-532
APPROVAL/DATE:	F. Lynne Klemke, President, WCCA Board of Governors Date: December 18, 2019

Purpose

WNCC is committed to student success and recognizes that students who stay in College housing will benefit from the residential living experience as an integral part of student engagement and educational success. Studies have shown on-campus residents are more likely to succeed in academics and benefit from the social and co-curricular opportunities being offered. Since student success is significantly increased when students live on-campus, student athletes will be required to live on-campus and purchase meal plans while they are at WNCC.

Scope

This policy applies to all student athletes at WNCC, who are required to live in College housing.

Policy

Western Nebraska Community College (WNCC) requires all WNCC student athletes to live in WNCC College housing and purchase meal plans (on-campus residence halls and campus dining/meal plans in Scottsbluff), based on the primary campus of attendance. This policy is in effect for the entire academic year.

Exemptions and the process to request them are detailed in the related President's Procedure.

Revising this Policy

This WCCA Board policy supersedes any prior WNCC policy, procedure, guideline or handbook on this subject matter.

If statutory provisions, regulatory guidance, or court interpretations change or conflict with this Board Policy, the Board retains the right to revise accordingly and for the changes to take effect immediately.
