Procedure

Resident housing regulations are printed in the *WNCC Residence Hall Manual*, which is a comprehensive listing of housing regulations and procedures and also includes procedures related to Food Service/Dining Service. The Office of Residence Life reviews and updates the publication annually. Each resident is provided a hardcopy of the official *WNCC Residence Hall Manual* as part of the check-in process, which includes a signed receipt of copy which remains as a part of the resident's record. A hard copy of the *WNCC Residence Hall Manual* can be obtained in the Office of Student Life upon written request. An electronic copy is available via the College website.

Mandatory orientation sessions to review residence hall policies are held before the beginning of each fall and spring semester for all on-campus residents.

Revising this Procedure

If statutory provisions, regulatory guidance, or court interpretations change or conflict with this President's Procedure, the College retains the right to revise accordingly and for the changes to take effect immediately.
