

# Paramedic Program Admission Steps

Applications for the hybrid paramedic program beginning Fall 2025 can be submitted between **June 1, 2025 and June 30, 2025**. Selection for admission is a competitive process and will be based on entrance exam scores and interview with program director.

## **Program admission requirements include:**

- Apply and be accepted as student at WNCC
- Current National Registry or Nebraska EMT licensure in active standing.
- Current cardiopulmonary resuscitation (CPR) card from state board approved agency valid throughout the entirety of the program
- Completion of Platinum Education EMT-P Math Assessment
- Completion of Platinum Education Paramedic Entry Assessment (EMT Level)

## **Requirements to be completed following provisional acceptance include:**

- Current immunizations (see required vaccinations page)
- Recent negative TB test (see TB information page)
- Negative drug test
- Proof of recent physical examination completed by physician, PA or NP
- Students provisionally accepted into the program are required to undergo a Castlebranch criminal background check as part of the admissions process
- Full admission to the program is contingent upon completion of the background check, immunization record, physical examination requirements, entrance exam scores and interview with program director.

# Paramedic Program Admission Steps

Following review of application and entrance exams scores, you will be contacted by the program to set up an interview. After the interview you will be notified of a provisional acceptance or denial. Once a provisional acceptance has been issued, you will receive more information on completion of steps 7-11. Official acceptance into the program will be awarded after completion of steps 7-11.

Refer to *Paramedic Entrance Exam Information* for steps on how to complete the entrance exams.
