The Phlebotomy Program Goals/Outcomes

Upon completion of the program, all students will demonstrate their competency in the Cognitive, Psychomotor, and Affective Domains in the field of the Phlebotomy Program.

- **GOAL 1:** The Phlebotomy Program (PBT) will have 70 percent of the student's completion rate within one year.
- **GOAL 2:** The PBT program will have 70 percent of the students entering the program graduate within one year.
- **GOAL 3:** Within one year of graduation, 70 percent of the Phlebotomy graduates will be employed.
- **GOAL 4:** The PBT program will have a minimum of 75 percent of its graduates pass the National Registry Exam within one year.
- **GOAL 5:** Upon graduation, the PBT program will obtain 85 percent satisfaction from the employer about the graduate's entry-level knowledge and technical skills.
