

WNCC & Inceptia FAFSA Verification Steps:

Federal Verification Process

We are pleased to announce we have established a partnership with Inceptia to expedite the federal verification process for Western Nebraska Community College. **Verification Gateway (VG)** from Inceptia is an online portal to guide students and parents through verification.

If your FAFSA application is selected for verification by the U.S Department of Education, you will receive an email from VGCS@inceptia.org, or postcard from Inceptia, containing Western Nebraska Community College's unique website link to start the verification process.

We encourage you to begin the verification process within 7 days of receiving notification from Verification Gateway to ensure you receive your financial aid in time for payments. Failure to complete the verification process could result in the delay or denial of your financial aid.

Follow these steps to complete your verification.

- **Access** our school's unique website link in the email from VGCS@inceptia.org or listed below.
- **Create** your account and choose preferences for text messages and e-signatures.
- **Complete** your Task List.
- **Confirm** your signature and review your information.
- **Sign** your account.

***If you are a dependent student, your parent also needs to create their own account and complete each of these steps.**
