Western Nebraska Community College engages in educational efforts to enhance security. We are committed to an integrated philosophy of awareness, education, prevention and service. We seek internal and external partnerships to promote and maintain a safe, secure environment conducive to learning, living and working at WNCC.

In compliance with relevant provisions of federal law, Western Nebraska Community College is required to make policy and procedural information available to the campus community as well as to prospective students and employees. Printed copies of individual reports are available upon request at the Student Life and Engagement Center or by calling (308) 635-6050. The data contained in this report is for the calendar year from January 1st through December 31st of 2013 and is made available annually by October 1st. For current crime statistics from this report please go to the WNCC website under Campuses/Campus Safety.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act require postsecondary institutions to provide timely warnings of crimes that represent a threat to the safety of students or employees and to make public their campus security policies. It also requires that crime data be collected, reported, and disseminated to the campus community and to the Department annually. The Clery Act is intended to provide students and their families with accurate, complete, and timely information about safety on campuses so that they can make informed decisions about personal safety. Such disclosures are permitted under the Family Educational Rights and Privacy Act (FERPA). The following web site provides more information about these and other provisions about campus safety:

REPORTING CRIME STATISTICS
The College coordinates the collection and reporting of crime statistics as specified by federal law. The information is compiled into a report. Each year, enrolled students are notified via electronic mail, student handbook, and WNCC’s web site where this report can be accessed and reviewed. Faculty and staff receive similar notifications by electronic mail and/or their electronic portal. Copies of this report can also be obtained from the Student Services Office. All prospective employees are notified of the report and may also obtain a copy of this report from the Human Resources office. Copies of this report will be provided to others as specified by law and upon request.

The individuals and agencies involved in the collection of data include the Vice President of Student Services, the Dean of Students, the Director of Student Life, Human Resources, Campus Security, the Alliance Police Department, the Scotts Bluff Police Department, the Sidney Police Department, the Box Butte County Sheriff’s Department, the Cheyenne County Sheriff’s Department and the Scotts Bluff County Sheriff’s Department.

In addition, WNCC, through a cooperative process with the agencies obtain relevant crime statistics from their databases, which provides appropriate crime codes, and the nature, dates, times, and the locations of crimes committed within their jurisdiction. WNCC’s Institutional
Research Director requests data from the agencies involved in collecting criminal statistics so that the annual report may be updated and disseminated to the campus community, the general public, and the U.S. Secretary of Education. With the exception of certain alcohol-abuse violations that may be referred for handling by residence hall staff and the Assistant and/or Director of Student Life, campus agencies required to collect crime statistics report all crimes to the Dean of Students.

Statistics on the following Clery crime definitions and offenses are included in the annual security report:

Programs WNCC coordinates include:
- Campus-wide e-mails, text messages and voice mails sent in extreme threat circumstances
- Daily crime logs available for public review
- Distribution of information to campus publications such as the student newspaper, staff newsletters and other sources; printed material, such as brochures and fliers, displayed in public places and distributed at meetings and other events
- Outreach services and informational programs for residence halls, and other student organizations that provide crime awareness and prevention education, information and guidance on personal safety, as well as an opportunity to promote an open dialogue about various safety and security issues
- Tallying of pertinent statistical data gathered as the result of confidential crime reports
- Crime alerts and crime notices posted in conspicuous locations to provide timely warnings to the community about criminal incidents considered a potential threat to students and employees

**Reporting Crime**
In case of a life-threatening emergency, make the following calls:
1. 911
2. Or 9-911 from a campus phone (except for Conestoga Hall, use 911)

The 911 operator will assist in directing the necessary response from emergency services, i.e., police, fire and paramedics. Be prepared to give the operator information about the emergency, including:
- Your name, address, and phone number for verification
- Description of suspicious person(s) or vehicle(s) involved (if applicable)
- On a first aid call, determine if the victim is conscious and breathing

College community members are strongly encouraged to report all criminal incidents, suspicious activities and emergency situations immediately to their local police department by calling 911 or 9-911. Crimes of a non-emergent nature may be reported by calling 308-632-7176 in
WNCC security personnel routinely patrol the campus area in vehicles and on foot. On the Scottsbluff campus, security can be reached after business-hours at 308-641-0351. In certain situations, a campus-wide alert is sent. Additionally, the Vice President of Student Services and Dean of Students maintains a daily crime log that is available for review.

Campus security authorities are directed to formally report to Vice President of Student Services specified criminal incidents that are reported to them or that have occurred at, or in association with, officially sanctioned events and/or activities. A “campus security authority” is defined as “an official of the institution who has significant responsibility for student and campus activities.”

Members of the WNCC community are strongly encouraged to report all criminal activity immediately to their local police department. Formal reports of this nature are documented, investigated and referred for disposition. However, we recognize that in certain situations, individuals who are victims of crime may not wish to disclose certain details of crimes or their identities. The person with whom you may discuss all of this with complete confidentiality is the licensed counselor at the Counseling Center. If you wish only for support and counseling services, please contact the counselor at 308-635-6050.

Keep in mind that victims of offenses committed by WNCC students have several reporting options. These include: 1) reporting to the police for criminal action, 2) filing a civil lawsuit against the suspect and 3) reporting to campus officials. For college sanctions to be considered, you may pursue these options simultaneously, or any one of them separately.

For example, reporting a crime and cooperating with a law enforcement investigation are necessary for criminal prosecution of a sexual assault case, but are not required for college sanctions to be brought against a student found responsible. Please see the Judicial Code in the student handbook or on the WNCC web site for details.

**Additional Reporting Options**

WNCC does not tolerate any form of sexual assault. Non-stranger rapes account for over 85 percent of sexual assaults committed on college campuses. These include situations in which a person is without the physical or mental capacity to consent, often due to being under the influence of alcohol or other drugs. Students are encouraged to report sexual misconduct to college officials (see page 39).

Anyone who reports an incident of sexual misconduct retains the right to notify proper law enforcement, and college officials will assist in notifying local police if the student so chooses. Students may also request changes in their academic and/or living situations. Such changes will be granted provided appropriate arrangements are reasonably available. The Counseling Center Director can assist you with these requests.
Regardless of whether formal criminal charges are filed, WNCC reserves the right to pursue disciplinary action as deemed appropriate. The college will consider the concerns and rights of both the person making the charge and the accused student. These rights include, among others, the right to have an adviser present during any disciplinary proceeding, and the right to notification of the outcome of any disciplinary action taken.
