**OPEN MEETING**

Ms. Wisniewski declared the Open meeting in session at 1:45 p.m.
Mr. Gaalswyk reported that during the Fall 2010 Semester, forty members of the Strategic Planning team met to develop Strategic Goals and Action Plans to guide the institution for the next three years. The team membership included representation from the Board of Governors, the executive team, faculty, and business and community partners from the service area. The process was guided by two facilitators from the University of Nebraska, Dr. Larry Dlugosh and Dr. Don Uerling. Mr. Gaalswyk reported four ambitious Strategic Goals were set by the Strategic Planning Team, and Action Teams were formed to develop specific implementation plans for those goals. He reported during October and November, the Action Teams met to develop specific steps and strategies to reach each goal and to set benchmarks for achievement of the goals.

Mr. Gaalswyk reported that on December 10, 2010, the proposed action plans were presented to the Strategic Planning team. The Strategic Planning Team members reviewed each goal’s foci and unanimously approved (with some minor revisions) each of the Action Plans presented.

Mr. Gaalswyk introduced Ms. Carla Stein and Ms. Judy Amoo who, in addition to Mr. Alkire and himself, also served as a Chairperson for an Action Team.

Mr. Alkire presented Goal One: "Create a more efficient system for transitioning students from high school to college and create a concurrent enrollment plan that enables students to complete an associate’s degree after one year of full-time college enrollment."

Mr. Alkire reported the foci for Goal One include: 1) Simplify transition for high school students to college; 2) Increase concurrent enrollment opportunities; 3) Create a +1 Pathways plan for Associate’s degree attainment with one year of full-time college enrollment following concurrent enrollment during high school; 4) Create Afternoon Academy classes (on-site) at College with dual-credit option); and 5) Enhance online instruction to increase its success potential for high school students.

Action Team members are: Garry Alkire, Chairperson, Paula Abbot, Brian Croft, Don Hague, Robin Hayhurst, Andy Newman, Jim Schmucker, and Paula Weimer.
Mr. Gaalswyk presented Goal Two: "Develop and implement a recruitment plan to raise participation rates by typically under-enrolled groups from both, area schools and adult populations."

Mr. Gaalswyk reported the foci for Goal Two are: 1) Service to Hispanic and Native American students; 2) Service to recent GED graduates; 3) Service to Senior Citizens across the service area; 4) Service to working adults, including additional training opportunities for residents of the Northern Panhandle.

Action Team members are: Terry Gaalswyk, Chairperson, David Boeckner, Mario Chavez, Jackie Cervantes-Guzman, Ce Merrigan, Lupe Oliva, Martin Vargas, Will Voss.

Ms. Stein presented Goal Three: "Develop and implement a comprehensive strategic marketing plan which also informs Panhandle constituents about the range of services and opportunities available through the WNCC system."

Ms. Stein reported the foci for Goal Three are: 1) Improve and increase internal communications and perception; 2) Improve and increase external communications and perception, including high school students and counselors; 3) Increase awareness of low enrollment/high employment demand programs; 4) Maintain awareness of high enrollment/high employment demand programs; 5) Effectively market Business and Industry to targeted areas.

Action Team members are: Carla Stein, Chairperson, Holly Sterkel, Aletia Norwood, Amy winters, Carolyn Nading, Dayle Wallien, Jackie Jacobsen, John Corum, Judy Amoo, Mario Chavez, Paula Abbott, Ryan Burgner, Suzanne Karbowski, Terry Gaalswyk, Paul Jacobsen.

Ms. Amoo presented Goal Four: "Expand the number of partnerships with businesses to stimulate economic development and to increase education and employment opportunities for residents in the WNCC service area.

Ms. Amoo reported the foci for Goal Four are: 1) Establish and maintain a business incubator at WNCC in the HATC bays area; 2) Establish a network of committed and talented community members to provide services, advocacy, and operational guidance for WNCC and the incubates; 3) Develop and implement a comprehensive and quality business plan for the incubator that is both realistic and
sustainable; 4) Create and implement a comprehensive plan to recruit and support incubates.

Mr. Alkire reported the next step will be to implement the plan. The four goals and foci will be presented to the College faculty and staff during the Spring Semester 2011 In-service program on January 6, 2011. He reported further the facilitators will return in April 2011 to review the progress made and to assist in dealing with any substantive changes as needed. He commented the facilitators were very pleased with the Strategic Goals and Action Plans that have been developed, and expressed confidence the College can carry through on the projects that have been identified.

Mr. Gaalswyk commented the initiatives presented will assist the College in carrying out the new mission statement which was adopted by the Board of Governors during the Regular October 2010 meeting: "WNCC assures learning opportunities for all – enriching lives, invigorating communities, creating futures."

In response to a question from the Board concerning keeping the Board informed about the implementation of the Strategic Plan, it was agreed that a quarterly report would be appropriate. The first update on the progress toward achieving the identified goals will occur on the March 2011 Agenda.

Mr. Miller reported the facilitators were very impressed with the goals and foci that have been developed and they remarked it was one of the best they had seen. Mr. Miller commented the report presented to the Board today is only a small taste of the work that has been done to develop the Strategic Plan and Action Plans.

Mr. Miller reported that television programming through Nebraska Educational Telecommunications should be available via satellite transmission very soon.

Mr. Miller commented that over the past 15 years, the budget of Nebraska Educational Telecommunications has been reduced 35 percent which has resulted in a reduction of positions. As he reported last month, there is a proposal to eliminate federal funding for the Corporation for Public Broadcasting. He remarked that funding for public broadcasting is very much at risk, and thus the benefits received through public broadcasting are also at risk.
Dr. Perkins reported the Nebraska Community College Association office has successfully moved to a new location.

Dr. Gramberg commented the Board of Directors will hold a Special meeting on January 24, 2011, for a Legislative Bill Review.

There was no report from the Association of Community College Trustees.

Ms. Wisniewski asked for Board Member Comments.

Dr. Perkins remarked he received very positive feedback from the individuals he contacted seeking input regarding Dr. Holcomb. He remarked the Board is fortunate to have a person of Dr. Holcomb’s caliber to appoint to the position of College President.

Dr. Perkins suggested that a formal Inauguration be held to give people the opportunity to celebrate Dr. Holcomb’s Presidency. Dr. Perkins further suggested that an ad hoc committee be appointed at the January Board meeting to plan the Inauguration ceremony.

Ms. Ostrander thanked Ms. Cervantes-Guzman and Mr. Miller for their service on the Board of Governors.

Ms. Wisniewski asked for President’s Comments.

Dr. Holcomb thanked Mr. Gaalswyk, and Mr. Alkire for the enormous amount of work and time they have devoted to the Strategic Planning process. He also thanked Ms. Stein and Ms. Amoo for their follow through as chairperson of an Action Team.

Dr. Holcomb reported Ms. Carla Stein was nominated for and received the Community college Professional of the Year award for NASPA IV West which is a ten-state region. As the recipient of this award, her name has been forwarded for consideration for the national award. There are seven regions.

Dr. Holcomb announced the 4th ranked Cougar Volleyball Team won the 2010 National Junior College Athletic Association Tournament. This is the second Cougar Volleyball Team to win the national title.
**PRESIDENT'S COMMENTS**

Dr. Holcomb introduced Mr. Ryan Burgner, Athletic Director. Mr. Burgner stated it was his privilege to present the 2010 National Volleyball Champion trophy to Ms. Wisniewski. Mr. Burgner thanked the Board, the College and the community for their support of the athletic programs, coaches and athletes. He commented because of this support along with the quality coaches and athletes that it is possible to bring home a National Championship.

Ms. Wisniewski thanked the College Volleyball Team for the hours of pleasure they have brought to the community during the 2009-2010 season. She remarked the team members are among the best of student athletes and also are academically successful. SCOTTSBLUFF CAMPUS FACULTY REPRESENTATIVE REPORT TO THE WCCA BOARD OF GOVERNORS FOR DECEMBER 2010

Gus Seminario, WNCC Mathematics Instructor, recently received a letter from former WNCC student Andy Hundley, who took classes from Gus about twenty years ago. Andy has gone on and received his BA in Architectural Engineering and a MA in Structural Engineering from the University of Wyoming. He is currently the structural engineering manager at the Denver office of Burns & McDonnell Engineering. Andy’s letter says he just wants to thank Gus for the help he provided in helping him become a professional engineer and to make sure that Gus knows that he was a big influence on Andy’s personal and professional growth and development. At Gus’s request, a copy of the letter is attached. Gus also attended the American Mathematical Association of Two Year Colleges 2010 Annual Conference last month in Boston. The conference features lots of useful ideas about mathematics, teaching, and classroom technology which Gus plans to integrate into his classes.

Hallie Feil, WNCC Psychology Instructor, will be taking a PhD prerequisite course called Transpersonal Psychology from the Institute of Transpersonal Psychology over the Christmas break.

Paula Weimer, WNCC BNA/Med Tech Instructor and Dr. Jim Schmucker, attended the Annual National Career Academy workshop last month in Austin, Texas. The trip was funded by Perkins Grant money. The conference featured lots of ideas on ways to maintain and improve on our Career Academy programs.

Denee Janda, WNCC Speech Instructor, reports that WNCC hosted the Western Trails Conference One-Act Play Competition in our theater on Tuesday, November 23. She and Pat Innes, WNCC Theater Instructor, were the judges. The Forensics Team presented a November Pit Stop, reading several selections during the noon hour in the pit for an interested audience. The Forensic Team also traveled to four tournaments throughout Wyoming, Colorado, and Nebraska during the fall semester.

Dr. Nathaniel Johnson, WNCC Instrumental Music Instructor, reports that the Fall Ball was held November 13th at the Gering Civic Center. It featured performances by all of the WNCC major musical ensembles, including: monumental Rock Combo, Fire-in-the-Pan Swingers, and the West Nebraska Winds. The concert and dance drew an audience about one hundred and seventy-five people. The following week, on November 19th, the Fire-in-the-Pan Swingers performed in Lincoln at the annual Nebraska Music Educators Association conference. They were one of six instrumental ensembles from throughout the state chosen by audition for this honor. Dr. Johnson reports that they represented the college quite well.

The WNCC music department presented Amahl and the Night Visitors to large audiences both Friday, December 3 and Saturday, December 4 at the Midwest Theater. Those who attended gave rave reviews.

Susan Dickinson, WNCC English Instructor and ACEL Language Coordinator, reports that she, Robin Hayhurst, WNCC Interim Reading Instructor, and Amy Wisniewski, WNCC English Instructor, attended a webinar dealing with issues in Developmental Education Reading and Writing on November 10.
It's been a long time!

Gus,

I don't know if you remember me but I was a student of yours about 20 years ago! I just wanted to let you know what is happening with myself and let you know how grateful I am of your help with my career and my life.

I received my Bachelors Degree in Architectural Engineering from the University of Wyoming and then shortly thereafter received a masters degree in structural engineering. I married a young lady (Becky Miles) right after graduating and moved to Denver to join Burns & McDonnell Engineering as an assistant structural engineer. I have completed many water and wastewater treatment plants in the 15 years since I was hired. I am now the structural engineering manager at the Denver office and we complete all nature of structural engineering projects. Becky and I have 4 boys that keep us really busy!

I just wanted to thank you for the help you provided me to become who I am today. It is always nice to hear from my clients on how well a job was completed (and how rarely this happens)....so good job Gus! You were a big influence on me and my career!

Sincerely,

Andy Hundley, P.E.
