DUTIES:

Back to top

Primary duties of this position are to perform laborer duties on buildings, structures, grounds, roads and trails while utilizing required personal safety equipment (eye protection, hearing protection, gloves, safety vests, hard hats, etc.). Incumbent frequently lifts, carries and moves materials and supplies weighing 50 pounds and sometimes up to 100 pounds with assistance. Often hand carries fencing tools, materials and supplies into steep, rough, uneven backcountry terrain for long distances to work sites. Loads and unloads fence supplies, heavy boxes, bulky supplies, trash, furniture and construction materials from trucks trailers and vans. Construct, repairs and replaces boundary fences, digs post holes, rolls wire, pulls weeds, trims shrubs, mows, waters, fertilizes and rakes lawns. Scours lavatories, stools and urinals. Scrubs, strips, waxes, dusts and mops floors. Vacuums and shampoos carpets, changes building and trail lights, picks up litter, empties waste baskets, recycle bins, trash containers, sweeps and cleans steps, walkways, parking areas and trails. Performs start up and preventative maintenance checks on tools and equipment. Duties are sometimes performed while working from ladders or scaffolding. Work is performed both inside and outside during extreme weather conditions often dealing with the visiting public in highly congested areas. Selectee may work with higher graded employees on building maintenance and road repair projects when the need arises. Performs and assists higher graded employees in general maintenance and assists in making repairs to buildings and park residences. Performs and assists higher graded employees in minor plumbing repairs and minor electrical work. Performs and assists higher graded employees in maintenance and repairs to items constructed of wood, concrete, metal, timber, stone, and other miscellaneous materials using basic hand and power tools. Assists higher grade employees replacing elements to buildings, residences, and equipment such as boards, siding, faucets, and mower blades.

PHYSICAL DEMANDS: The nature of position requires considerable standing, stooping, bending, kneeling, and climbing. It requires working overhead or in stretched, cramped, awkward, tiring, and uncomfortable positions for extended periods of time. Exerts moderately heavy physical effort, Lifts and carries items up to 50 pounds.

WORK ENVIRONMENT: Work is performed inside and outside. Inside work is often accomplished in office buildings or in well-lighted, heated, and ventilated areas such as warehouses, loading docks, or trade shops. Frequently exposed to weather and temperature extremes, drafts, noise, dust, dirt and the possibility of bruises, muscle strains, cuts and scrapes. Work requires the employee to follow proper safety procedures and use standard safety equipment such as gloves, ear protectors, safety glasses, and steel-toed shoes to avoid possible hazard in the work area.
