**DUTIES:**

The incumbent works as a WG-5 Maintenance Worker duty stationed at Scotts Bluff National Monument. The duties of this position revolve around seasonal summer maintenance and repair operations. The incumbent will be supervised by the Facility Manager and work under the direction of work leaders or other higher graded employees and can be assigned to a variety of duties. These duties may include, but are not limited to, minor maintenance and repair of buildings and utility systems including simple carpentry, plumbing, painting, utility systems operation and repair, trash pick-up and disposal, grounds work or custodial duties involving the daily cleaning and upkeep of Visitor use facilities such as Visitor Centers, comfort stations, employee use areas or other custodial duties as assigned.

The incumbent uses a variety of hand and power tools such as hammers, wrenches, tape measures, hand saws, levels, power drills, power saws, power nail guns and stationary shop equipment such as table saws, drill press and sanders. The incumbent will use various painting equipment to prepare and paint a variety of surfaces, building and structures. The use of lift devices, scaffolds, and ladders are required.

The incumbent may also use a variety of custodial chemical cleaning products, hand tools and equipment such as general purpose cleaners, mild acid toilet bowl cleaners, carpet shampoo, glass cleaner, brooms, mops, vacuums, carpet cleaning shampooer, and power washers.

The incumbent will operate a variety of machinery, such as passenger vehicles, 4X4 trucks, utility terrain vehicles (UTV), lawn mowers, and material handling equipment. Participates in tailgate safety meetings and adheres to developed standard operating procedures (SOP) to ensure safe work processes are being followed. The incumbent is responsible for following NPS and Park policies and guidelines related to ethics, conduct, and safety.

Physical requirements: the incumbent works from ladders, scaffolds, and platforms, to paint where surfaces or the parts of the building or structure are hard to reach; this will require the incumbent to stand, stoop, bend, kneel, climb and work in tiring and uncomfortable positions. The incumbent frequently lifts or carries equipment or materials that weigh up to 40 pounds.

For questions regarding the duties of this position, please call Kevin Haberman at (308) 436-9725.
